Where can the courses be held?

MHFA courses can be conducted wherever a Mental Health First Aid Instructor can travel. If extended travel is required, the instructor's cost may need to be met (to be negotiated with the instructor).

Upcoming MHFA courses

MHFA courses for members of the public are advertised through the MHFA website at:

www.mhfa.com.au/current_courses.php

Finding a MHFA Instructor

You can find MHFA Instructors in your area on the MHFA website:

www.mhfa.com.au/instructor_list.php

Select state or postcode.

Select instructors' names to review their details.

You can then contact instructors directly about conducting a course for your organisation or workplace.

Who can attend a MHFA course?

Any interested adult can attend. Please note that this course is not a therapy or support group. It is an education course to learn how to give first aid to others.

Cost

Contact your local instructor to ask about their fees.

All instructors of this course are trained by the Mental Health First Aid Training and Research Program, auspiced by Orygen Youth Health Research Centre, The University of Melbourne.

What is Mental Health First Aid?

First Aid is the help given to an injured person before medical treatment can be obtained. Mental Health First Aid (MHFA) is the help given to someone developing a mental health problem or in a mental health crisis. The first aid is given until appropriate professional treatment is received or until the crisis resolves.

What is the Standard Mental Health First Aid course?

The second edition Standard MHFA course is based on the international MHFA Guidelines. These guidelines were developed using the consensus of mental health consumers, carers and professionals from English-speaking developed countries. Further information here: www.mhfa.com.au/Guidelines.shtml.

Course Content

The MHFA course teaches members of the public how to assist someone who is developing a mental health problem or in a mental health crisis.

Developing mental health problems covered:

- Depression
- Anxiety
- Psychosis
- Substance misuse

Mental health crises covered:

- Suicidal thoughts and behaviours
- Non-suicidal self-injury
- Panic attacks
- Traumatic events
- Severe psychotic states
- Severe effects from alcohol or other drug misuse

This is a 12-hour course (4 modules, each 3 hours). The delivery format is flexible.

Course participants receive a copy of the MHFA Manual to keep and a Certificate of Completion.

About the MHFA Program

The Mental Health First Aid Program was developed in 2001 by Betty Kitchener and Prof. Tony Jorm.

The Program has been well evaluated and found to be effective in improving mental health literacy, reducing stigma and increasing helping behaviours. These evaluations have been carried out in workplace and community settings. Further information and links to evaluations of the MHFA course here:

www.mhfa.com.au/evaluation.shtml

The Program has spread to every state and territory of Australia and internationally. More information here:

www.mhfa.com.au/international.shtml

Other Available MHFA Courses
